Happy Independence Day!

Hello! We hope this newsletter finds you all and your 4 legged family members keeping **Cool** and in good health.

The first day of summer has arrived! This week temperatures are in the 90's. Be sure your dog has plenty of water and cool shelter. When going for walks, the pavement can get extremely hot! Save walks for early morning or after sundown when temperatures and roads are cooler.

Don't forget your pets when it comes to the festivities. Most pets are happier and safer at home than out at parades, festivals and fireworks. If you are hosting events this summer be sure pets are supervised as each guest might want to give "just a little" people food which can have some serious results, (and with Danes, they can usually just help themselves to tempting table treats).

Summer also means lots of fun with the GDCWNY! We hope you can join us for our Picnic in July, and Specialty Show in August. Keep reading for details!

Do you have more Great Dane “stuff” than you know what to do with? Have you won dog beds that are in a closet because your fur child will eat them? Are your closets jammed with beautiful show clothes you no longer fit in? Consider posting on our website Shop Link.
